Vision/ Hearing /Spinal Screening: Minimum Requirements 9th – 12th

1. **Vision and Hearing:** All new students are required to have vision + hearing screening. It is offered at school in the fall. However, the minimum requirement allows you to use results from 7th or 8th grade if it is an official record with full name, DOB, chart used, screener, screening date and results as stated below.

Vision: must submit visual acuity for right and left eyes recorded separately.

Hearing: must submit an audiometric screening done on R and L ear separately at 25 dB(or less) at 1000, 2000, and 4000 Hz . An Otoacoustic Emissions Test is not accepted by TDOH as a hearing test.

2. **Spinal Screening:** required in 6th and 9th grade. If done elsewhere must submit an official record with full name, DOB, screener, screening date and results .Spinal screening must be recoded as “passed” OR failed and referred”. *This is the current rule but it is tentative until the 2017 legislature closes.*
