*Computer Applications and Technology

All classes are Honors level except for Theology, Fine Arts, Speech, Physical Education, and Health.

St. Dominic Savio will offer Advanced Placement courses in addition to other electives beginning with the 2010/2011 school year. As a prerequisite to Advanced Placement courses, students must take an honors level course. For example, a student hoping to take AP English as a senior would need a good grade in (H) English III as a junior.

College preparatory pathways are suggested courses of study for students in that pathway. They are intended as frameworks that will keep students on the path to graduation.
