### Customize

To customize what is shown on the homepage:

The screenshot shows the 'Customize' page in EagleNet. It has a navigation bar (Home, Classes, Students, Administrative, Customize) and a 'Customize' section. The 'Home Page' section includes options for 'Show latest averages using' (set to 'Quarter 1'), 'Show My Announcements', 'Show My Grades', 'Show My Schedule', 'Show daily grades due as of' (set to 'This Month'), 'Show My Assignments', and 'Show assignments due in the next' (set to '5' days). The 'Calendar Page' section includes options for 'Show the following events' (Classes, Assignments, Cycle Days, Actions Assigned to Me) and 'Actions for My'. A callout box with an arrow points to the 'Show latest averages using' dropdown, stating: 'Select the homepage date range.'

## Class Homepages

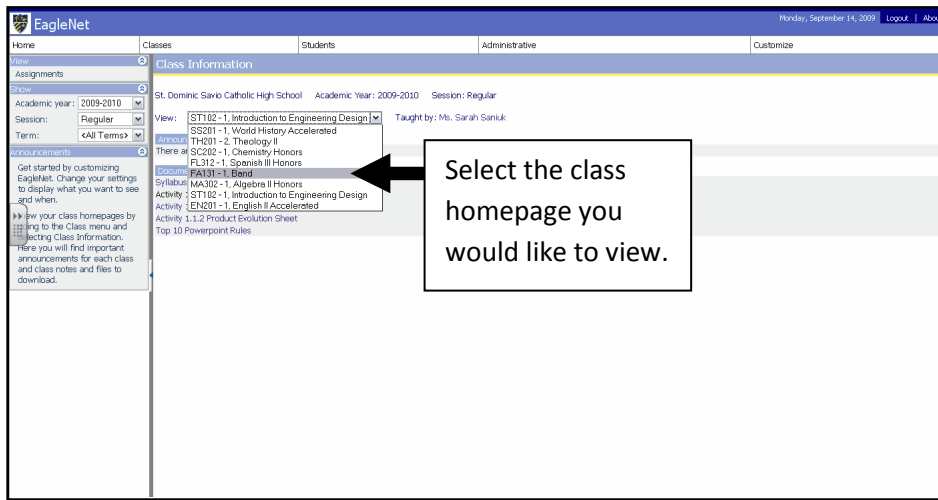

To view each class' homepage (including files, notes, announcements, and important links), go to **CLASSES → CLASS INFORMATION**.

The screenshot shows the EagleNet interface with the 'Class Information' page selected. The page displays a list of class announcements and documents for the 'Regular Quarter 1' session. The announcements include various quizzes, folders, syllabi, and supplies. The documents section lists files such as 'Syllabus', 'Activity 1.1.1 - Shoe Design', 'Activity 1.1.2 Product Evolution Rubric', and 'Top 10 Powerpoint Rules'. The page also shows a 'My Schedule' section for the 2009-2010 regular session, listing classes like World History Accelerated, Chemistry Honors, Theology II, Algebra II Honors, Spanish III Honors, Band, and English II Accelerated with their respective times and room numbers.

The **CLASS INFORMATION** page shows all class announcements. It also contains a list of **ALL** class documents, including notes.

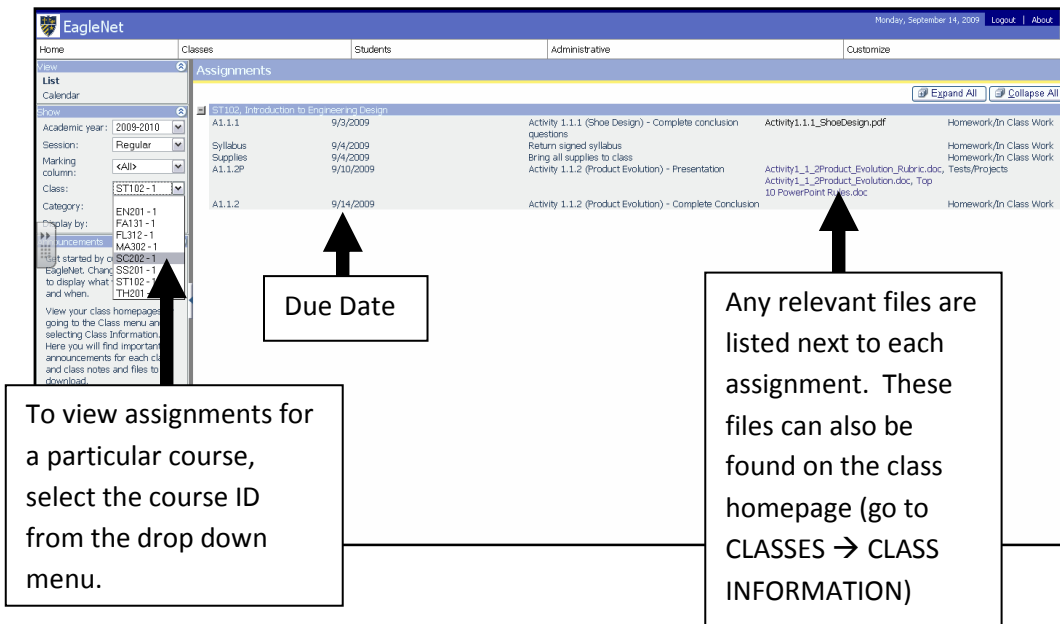

This screenshot shows the EagleNet 'Class Information' page for the 'ST102 - 1, Introduction to Engineering Design' class. The page displays a list of documents, including 'Syllabus', 'Activity 1.1.1 - Shoe Design', 'Activity 1.1.2 Product Evolution Rubric', and 'Top 10 Powerpoint Rules'. A callout box with an arrow points to the file name 'Activity 1.1.2 Product Evolution Rubric' and contains the text: 'File name with a description of the file.'

You can view different class homepages by selecting the course from the dropdown menu.

## VIEW ASSIGNMENTS

To view assignments, go to STUDENTS → ASSIGNMENTS

## VIEW GRADES

To view grades, go to STUDENTS → GRADES. Click on the grade book icon next to the corresponding course to open grades.

The screenshot shows the EagleNet interface with the 'Grades' tab selected. The left sidebar contains navigation options like 'Home', 'Classes', 'Students', 'Administrative', and 'Customize'. The main content area displays a list of courses with a 'Grades' icon next to each. A callout box with an arrow points to this icon, containing the text: 'Click on the grade book icon to view grades for a particular class.'
