

2015-2016 FACTS PAYMENT PROGRAM

St. Dominic Savio Catholic High School is once again using the FACTS Payment Program. Please review the following information. We have new plans this year and you will need to select which plan you would like your FACTS account to rollover to. *This is not a binding agreement for registration or enrollment. We are simply rolling over last year agreements to help prepare for next year. We would like to have all plans already setup correctly for 2015-2016. Re-enrollment will be through RenWeb.*
