Current strategic plan is complete and was posted in June 2019. A copy of the plan was provided to faculty and school board for input. Parent survey will be sent out shortly. Plan should be up for approval early this fall. The strategic plan includes statement about bullying. Bullying is not a specific concern, but questions came up through accreditation process, and administration wanted to address it.

Currently developing athletic master plan. Plans ensure everything is properly permitted (including working around the heritage trees located on property). Considering needs of all sports. Talking with coaches about facilities needed for each sport. Have determined that a full football field and 8-lane track will fit within boundaries of available property. At this point, the master plan design represents the grand idea. Will need to fundraise, and work on realizing plan in stages. The largest expenses are football field and track. Plan includes parking.

Recently had groundbreaking for Holy Family construction project. The school is 20 years old and is in need of additional space. Construction includes the addition of interior building space, and an open-air pavilion for performances (this space can be used by Savio). At this time, neither Holy Family nor Savio will have dedicated cafeteria space.

**Communications:** Ms. Cristina Mares:

Reaching out to alumni through 10<sup>th</sup> anniversary celebration. Seniors lose Savio email address upon graduation, so Cristina asks them for contact information prior to leaving school. Working on sending out Savio Now – hitting mail boxes this coming week. Currently, marketing Savio to local parishes. All are welcome to alumni events.

**Development:** Ms. Alpa Brannam:

Working with class reps to set up class social dates.

**SPA Chair:** Megan DiTeresa

Welcome to the 2019-20 school year. Thanks to all for jumping in with donations, volunteering and 10<sup>th</sup> Anniversary lunch. Megan and Sarah will be working on transitioning SPA Chair position over to Sarah.

**Vice-Chair:** Frank Alvarez

Reviewed new student orientation. Reviewed several upcoming events needing volunteers: Future Eagle Football game 11/1; Open House 11/13 (on a Wednesday evening); Prospective Parent Breakfast 12/13; Prospective Student Interviews 2/8; New Student/Parent Reception 3/4; New Family Ice Cream Social 4/4. Uncertain about volunteer needs for Spring Music Showcase. Will request sign-up with Darla. Sarah will work with Holly to get information about events out to all local feeder schools and parish churches.

Lori M. suggests giving a heads up on events to SPA members so we can make steps to reach out and recruit volunteers. Darla suggests posting volunteer opportunities at Volunteer Appreciation Lunch in May so potential volunteers can start expressing interest. Early summer Eagle Weekly editions need to advertise volunteer opportunities – especially to incoming Freshman Parents.

**Treasurer:** Lillian Hogenmiller – Reviewed reimbursement procedures. When emailing receipts, include the following information – name; SPA Position; date; what the expense for; & how you want to get your check (pick-up or mailed – include address). Also include information on third parties providing goods & services (description of service/item(s); who should the check be written out to; address & contact information. Office takes 2 to 3 work days to turn around check. If paying third party, they need to understand time frame

Budget – We have 348 families, and each family contributes \$40. Discussed number of students is now 405.

Alpa has Tax ID number, and she will email it to Lillian.

Feel free to contact Lillian with questions.
