Approval of the Minutes: October 3, 2017

Unable to approve minutes because not enough present for quorum.

Principal's Update: Mr. Morgan Daniels was away at the Catholic School's symposium and submitted his report to Megan: Thanked SPA for their support this past month which was very busy. Met with a representative from Parker uniforms and was told they had 2 challenges they contributed to the problems: new computer system which had not been tested before starting and switched over to a new call system. They state they have improved the computer system and have discontinued the call system. Also have a new store manager that started in the middle of the summer. Suggestions were made to see if another meeting is scheduled with a Parker representative and whether a specific email will be going out to parents. All students were able to meet college representatives at the Catholic College Fair. December exam schedule went out in the Eagle Weekly. Discussed the annual Library fundraiser, coffee house, at Barnes and Noble on Saturday hosted by the music dept. Encouraged all to take the PSAT survey.

President's Update: Dr. Joan Wagner

Not present

Communications: Ms. Cristina Almanza

Great turnout for the homecoming alumni tailgate. Admission season is in full swing: open house had the highest attendance this year with just over 200. Beginning to promote the parent sessions. On November 18th, some of our Savio students will be honored for their volunteer work on Thursday mornings with Feeding my people. Sarah had a question about middle school night information and how it is communicated to the middle schools because no information was in St Theresa's newsletter. She will meet with Cristina to discuss and see who is the parent liaison.

Development: Ms. Alpa Brannam

Annual appeal is going great and class socials are complete. Freshman class social had the most attendance. Jennifer suggested creating a spirit stick for the class to win. Discussed the schedule for the Grandparents Day mass on Thursday, November 16th at 11am at SVDP with a light reception to follow and tours of the school will be available. Will follow up with Mr Daniels if the student ambassadors will provide the tours or just the students with their grandparents.

SPA Chair: Megan DiTeresa

Thanked all for their hardwork this month!

Vice-Chair: Terri Allman

Middle School Night: went well and had plenty of volunteers. Suggestions made about halftime show to find out who organizes this and to have it more coordinated. They had plenty of pizza but needed more chips.

Savio Open House went smoothly and thanked all the volunteers. Will plan to discuss the Facebook issue next month.

Treasurer: Cindy Perez

Emailed the report, not present at the meeting.

Historian: Introduced the new Historian, Lori Rabensteine. Not enough for quorum to vote. Megan will email the board to vote via email.
