

ST. DOMINIC SAVIO

CATHOLIC HIGH SCHOOL

Dear Community Supporter,

The "Lighting the Way Savio Soirée" will be held April 15, 2023 at the beautiful Casa Blanca in Brushy Creek where we will be celebrating 14 years of educating students and forming servant leaders.

Each year, St. Dominic Savio Catholic High School hosts our largest fundraising event for the purpose of raising the much-needed funds to directly support our school and the students that cross through our doors each day; including the robust tuition assistance program we offer to students who desire a Savio education but don't fully have the means to do so.

Sponsorships for this event are now open. We are offering you many ways for your company to not only gain exposure to our school community and event attendees, but to make a positive impact on the future leaders of our neighborhoods, state and perhaps even our Nation.

We, honestly, cannot support our rigorous college-prep educational experience, athletic programs, world class robotics team and our student's faith formation without current and past sponsors like you. We have been so blessed!

Sponsorships are critical to the overall success of this event and there are so many options for you to choose from – one that will certainly meet your needs and your budget. Your support will not only make a positive impact in our students' lives, but you can feel good in knowing that the difference you make will happen right here in our community; where you live, work and/or play.

There are several levels for you to consider. As a sponsor you will be recognized on promotional materials, school and soiree websites, social media communications, school publications and signage at the event. Please direct your attention below to the information regarding sponsorship opportunities and the benefits that accompany each level.

Thank you for your consideration and we look forward to working with you. For questions or additional information, please contact me at 512.244.4861 or gkerley@saviochs.org.

Sincerely,

Gina Kerley
Director of Advancement
