Dear Savio Families,

I am excited to share our plans with you regarding our Grandparents Day event this year. We have designed a special schedule with activities to welcome additional members of the Savio community. This year, Holy Family Catholic School and St. Dominic Savio Catholic High School will host a joint Mass and reception at St. Vincent de Paul Catholic Church. A schedule and RSVP directions are provided in this letter. We look forward to visiting with many of our grandparents this Thursday, November 20th.

Please send an email to Mrs. Carmen Garza at cgarza@saviochs.org if your Savio student plans on attending the following events with their grandparent. This will ensure that they are not marked absent by their instructors.

- 1) Reception at St. Vincent de Paul following Mass
- 2) Tour of Savio after the Reception

Thank you for your support of this great event and we look forward to seeing our grandparents!

Blessings,
