

# ST. DOMINIC SAVIO

## CATHOLIC HIGH SCHOOL

November 15, 2014

Dear Savio Families,

As we approach the end of fall and the prospect of colder weather, please familiarize yourself with St. Dominic Savio's inclement weather policies. It is the goal of the school to provide effective and timely communication with families and staff to ensure that everyone travels safely to and from school.

### **St. Dominic Savio Inclement Weather Procedures**

In case of inclement weather, St. Dominic Savio Catholic High School will make a decision in the best interest of safety for all Savio families. St. Dominic Savio follows the decisions of the Round Rock Independent School District. School closings or late start announcements are posted on the school website and are sent through the RenWeb Parent Alert notification system. Families are encouraged to follow the news and websites of their local school districts in order to monitor the safety of local conditions. Families are permitted to make individual decisions that best assure the safety of their children regarding road conditions.

### **The following are St. Dominic Savio's transportation procedures in the event of severe weather:**

- 1) If Round Rock ISD and Austin ISD are on a 2-hour delay, the South and Central morning transportation routes will be delayed 2 hours. The routes will run as scheduled in the afternoon.
- 2) If Round Rock ISD is on a regular schedule and Austin ISD is on a 2-hour delay the South and Central morning transportation route will be cancelled. The routes will run as scheduled in the afternoon.
- 3) If Austin ISD cancels classes then the south and central routes will be cancelled for the entire day, regardless of the Round Rock ISD and Savio schedule that day.

If a schedule change is announced, please consult the Student/Parent/Guardian Handbook or the school website. Schedules are listed for two-hour delays and for early dismissals. Again, please remember that since our families cover a wide range of the Austin area, families are encouraged to evaluate their local conditions in order to make the best travel decisions regarding their son or daughter's safety. In the event that your family will be delayed by your local conditions, please contact Mrs. Evie Cascarano at [ecascarano@saviochs.org](mailto:ecascarano@saviochs.org) to advise the school of your student's delay in travelling to school. The Assistant Principal will work with Mrs. Cascarano to monitor and evaluate student attendance that is affected by inclement weather.

Blessings,

Mr. Morgan Daniels, M.Ed.  
Principal, St. Dominic Savio Catholic High School
