The St. Dominic Savio Catholic High School Chapter of the National Honor Society was formed to honor those students who are outstanding in scholarship, leadership, service, and character. Selection to the National Honor Society is a privilege, not a right. Students do not apply for membership in the NHS; instead, they provide information to be used by a selection committee (Faculty Council) in determining whether or not a candidate is admitted to the National Honor Society (to support their candidacy) for membership. According to the NHS Constitution, the purpose of the National Honor Society is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of American secondary schools.

If you have any questions, please feel free to contact the St. Dominic Savio NHS Adviser, Celeste Robbins
